

YOUR LEASE MATURITY CHECKLIST.

Here's a useful to-do list to help you avoid any lease maturity costs and charges upon returning your MINI.

- Complete your scheduled maintenance and servicing
- Repair any damages incurred at a Certified Collision Repair Centre (as applicable)

WHEN YOU RETURN YOUR MINI, PLEASE COMPLETE THE FOLLOWING:

- Complete your mandatory AutoVIN inspection¹
 - Turn in your Keys and Keyless Remotes (set of 2)
 - Return your MINI Owner's Manual
 - Bring your vehicle in with matching MINI-Approved Non-Winter Tires and MINI Rims²
 - Ensure your windshield is a MINI-Approved windshield with a MINI logo displayed in the glass
 - Return your Cargo Cover (if applicable)
 - Delete your personal information from MINI iDrive system (if applicable)
 - At time of vehicle return, request for your Vehicle Return receipt from your Retailer for your records
-

1. A mandatory lease maturity inspection is required. Please contact your preferred MINI Retailer for the latest information on the inspection process.

2. In accordance with the Quebec Highway Safety Code, during the prescribed period, MINI Financial Services will accept installed winter weather tires if the non-winter tires are placed in the vehicle. Please use tire bags. Applicable in the Province of Quebec only.
